PBIS Focus of the Week Out in the Community

Dear Parents/ Carers,

As some of you may be aware, we are having our new Bishop Ordained today in Bendigo at Sacred Heart Cathedral. Fr Carey is in Bendigo representing our community on this special occasion. We wish Bishop Shane Mackinlay all the best for this day and look forward to meeting him in the future.

Pope Francis has appointed Fr Shane Mackinlay, currently Master of Catholic Theological College Melbourne and a parish priest in Ballarat, the next Bishop of Sandhurst. Fr Mackinlay was born in Melbourne in 1965, his family moving to Ballarat 10 years later. In addition to his study for the priesthood at Corpus Christi College and at Catholic Theological College, he completed a physics degree at Monash University. He was ordained a priest of Ballarat Diocese in 1991 and, after parish ministry, undertook graduate studies in philosophy, completing a master's and doctorate at the Catholic University of Leuven in Belgium. Fr Mackinlay taught philosophy at the Australian Catholic University campus in Ballarat before moving to Catholic Theological College, where he has been Master since 2011. Fr Mackinlay said while his role at Catholic Theological College was a demanding one and typically saw the Master relinquish parish ministry, he had been keen to continue that work alongside his teaching and administrative duties. "I love teaching and also being involved with people in their local parish communities and I very much look forward to continuing those two ministries in a different way in my new role," Bishop-Elect Mackinlay said. "I've greatly enjoyed being a priest in the Ballarat diocese and I'm very pleased that I can continue my ministry among the people of regional Victoria."

Film Festival Success

The Inaugural Languages Film Festival was conducted at the Shepparton Village Cinema last Thursday. This was a culmination of a number of initiatives in Languages supported by the Speak Up Strategy. The theme of the Festival was "Why Learn Languages." Schools were invited to enter into one of the four categories: Junior Primary, Senior Primary, Junior Secondary and Senior Secondary. With Signora, the senior students created short films. One of these was then chosen to be a finalist.

Congratulations to Jo Somerville, Alexandra O'Meara and Emma Meyer with their assistants Paige Lee-Wood and Jasmyn Lea for taking out the second prize for their fantastic film. Congratulations to Signora to making it all happen. Well Done!! (see images below)

CHILDREN'S CHATTER MATTERS

Focus: Understanding and using longer and more complex sentences

Following/Giving instructions: Putting together a model

Kits are great, they contain complete sets of instructions and materials, but they can be expensive. As an alternative, try supplying your child with a collection of building blocks and give them a set of directions for building various items. Once they have followed your instructions, reverse the rolls and encourage your child to give you instructions to build an item.

Rutherglen After School Care

Luke's Reptile Kingdom visited Rutherglen After School Care this week. Henry, Dusty, Patty and Jed had so much fun and now should know what to do in a snake emergency.

A detailed botanical illustration of a branch with several large, elongated, light green leaves. The leaves have prominent dark veins and are arranged alternately along the stem. Two clusters of small, round, yellow flowers hang from the branch, one near the bottom left and another towards the center. A third cluster of small, round, reddish-brown flowers is visible at the top right. The background is a plain, light beige color.
