## PBIS Expectations: Expectations in the Classrooms

Dear Parents/ Carers,

### This Sunday's Gospel Summary

The crowd in this Sunday's Gospel, Jn 6:24-35, showed faith in Jesus. They got into boats and traveled to find him. They called him *Rabbi*, meaning "Teacher." But at the same time, they had some doubts. They wanted some sign from Jesus that would prove once and for all who he was and what he could do. Jesus tells them again that the sign they seek is in their midst, for he is the bread sent from heaven. He is the bread of life.

### Reflection for Parents

How many times has your child said to you, "Prove it to me"? And how many times have you yourself said the same?

This is basically what the crowds are saying to Jesus today—"Prove it to us. Give us a sign that we might believe in you." Every day God gives us signs that he loves us, cares for us, forgives us, and is with us. We see and hear these signs in creation, in the generous actions of a friend, in the kind words of a stranger, and in the community of believers that is the Church. Take time to reflect on the signs of God's love that you have seen or heard in recent days. Think about how you can be that sign in the week to come to others around you.

### Welcome Back Again & Again & Again & Again:

Welcome back again after another little COVID hiccup.

Thankyou to all families who again did a wonderful job in supporting their children and the staff again in our latest lockdown.

Who can predict what is going to happen with any further lockdowns so my fingers are crossed permanently now!!!

**Important:** Please be aware of all the up to date COVID restrictions when entering school grounds and dropping off and picking up students.

Office Hours -  
8.00am—4.00pm

## Face Masks at Primary School

Just to clear up a little bit of confusion regarding the wearing of face masks at primary schools I have inserted the dots point below out of the latest School Operations Guide.

- Children under 12 years of age and students at primary school are not required to wear face masks when at school, or when attending an OHSC program.

*(This means even if a child has turned 12 they are not required to wear a mask if they are in a primary school setting.)*

- For communication purposes, teachers and education support staff are not required to wear face masks while teaching, but those who wish to do so, can. It is recommended that face masks be worn while teaching wherever practicable.

### Important COVID Reading Below:

Please read the next 3 pieces of COVID information regarding **QR codes, Management of an Unwell Student or Staff Member & Stay Home When Unwell.**

I have cut and pasted straight out of the Schools Operation Guide, Term 3 2021 (from 9 July) that all schools have to follow.

#### QR Codes Check in

QR code check ins are mandatory & required to be used by:

- all visitors on school site (including contractors, MACS and other external staff and building and maintenance staff)
- all parents who enter school buildings when on school site

QR code check ins are not required to be used by:

- staff
- students
- parents who come onto school grounds for drop off or pick up, but do not enter buildings.

#### Management of an unwell student or staff member

It is important that any student (or staff member) who becomes unwell with COVID-19 symptoms while at school gets tested and returns home.

The symptoms to watch out for are:

- loss or change in sense of smell or taste
- fever
- chills or sweats
- cough
- sore throat
- shortness of breath
- runny nose

Some people may also experience headache, muscle soreness, stuffy nose, nausea, vomiting and diarrhoea. Staff or students experiencing COVID-19 symptoms should be advised to get tested and stay home until they receive a test result.

#### Stay home when unwell

The most important action school communities can take to reduce the risk of transmission of COVID-19 is to ensure that any unwell staff and students remain at home and get tested, even with the mildest of symptoms.

#### Students with underlying conditions (such as hay fever or asthma)

If a student has persistent symptoms due to an underlying condition such as hay fever or asthma, the student should still be tested for COVID-19 if they develop symptoms that are different to or worse than their usual symptoms. Students whose symptoms are clearly typical for their underlying condition can continue to attend school.

Parents/carers should also consider getting a medical certificate from the child's treating GP to confirm that it is safe for them to attend school with persistent symptoms that may overlap with some of the symptoms of COVID-19 such as cough or runny nose.

#### Young children with persistent mild symptoms

For younger children (in Prep to Year 2) who have had a negative COVID-19 test that was taken after they developed symptoms, the decision about return to school should be made in conjunction with the child's treating GP. If the GP is satisfied the child has recovered from their acute illness, is otherwise well and does not need a repeat COVID-19 test, the child can return even if they are not completely free of symptoms. Any worsening of symptoms will require review and repeat COVID-19 testing, if considered appropriate by the doctor.

Students with a negative COVID-19 test whose symptoms have completely resolved do not need a medical certificate to return to school.

## Jump Rope for Heart

Some amazing individual student efforts in fundraising for the Heart Foundation as well as keeping fit. Please follow the link to get your child registered. We WOULD love to have every child at St Mary's registered even if they only raise 5\$ or none at all.

### How do I get started?

-  1. Register your child. Visit [jumprope.org.au/parents](http://jumprope.org.au/parents)
-  2. Share your child's page with friends and family and ask them to donate
-  3. Log your child's skipping activity so they can earn prizes and virtual badges.

Teachers will organise skipping activities during the school day. If your child is a keen skipper, encourage them to skip at home too to earn more badges, faster.

## Upper District Cross Country

With the Olympics coming up we have been talking about the characteristics of what makes a champion. Some of those mentioned such as courage and persistence come to mind when we congratulate those that participated in the Upper District Cross Country in what were very difficult and challenging conditions. Well done to all and congratulations to Travis Gunning for making the next level.

## Learning Walk Expo

The Grade 6's were excited and proud to showcase their Passion Projects and Earth and Space Projects at the end of Term Two.

They chose a topic of interest that took them on a journey of learning through different curriculum areas, demonstrating their knowledge in different ways. Thank you to all the families and Grades who came to participate in the learning walk.

# Deadline for submissions for 2021 has been extended to Friday 13 August, 2021

### Criteria 2 - Be of school age and attend school in Victoria

School is compulsory for all Victorian children aged between six and 17 years of age inclusive.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or secondary school. Typically, these students are aged between five and 18 years inclusive.

CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAFE.

## PAYMENT AMOUNTS

### CSEF payment amount

The CSEF is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the benefit of the eligible student.

- Secondary school student rate: \$225 per year.

The CSEF is paid directly to your child's school and will be allocated by the school towards camps, sports and/or excursion costs for your child.
